ABOUT RUDI

Born and bred in Russia, Rudi started FEBC's ministry in Russia, Ukraine, Kyrgyzstan and Kazakhstan, remaining in service for four decades.

These nations, and newly added Moldova cover 218 million people and more than 200 unreached people groups.

With his ears to the ground and eyes on Jesus and His mission, he has an acute understanding what is happening and what are the challenges to sharing the Gospel in this region.

ABOUT FEBC

Let them hear. This is our moto and the heartbeat of FEBC. We are passionate about letting all tribes, tongues and nations hear the Good News of Jesus.

For 77 years, FEBC has inspired people to follow Jesus through radio and other media in people's 'heart language' that is culturally and contextually appropriate. Off-air, local team members reflect God's love by providing practical support to listeners. The broadcasts are now heard in 145 languages across 51 countries, including the hardest-to-reach places either physically or missionally.

Join us in Jesus' Great Commission. Let the Gospel reach all the unreached. Let them hear.
